COMPETENT PERSONS' STATEMENTS

Scientific or technical information in this report has been prepared under the supervision of Mr Joe Clary, a consultant to the Company and a Member of the Australian Institute of Geoscientists (MAIG) and Mr Shane Tomlinson, a casual employee of the Company and a Member of the Australian Institute of Geoscientists (MAIG). Mr Clary and Mr Tomlinson have sufficient experience which is relevant to the style of mineralisation under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves" (the JORC Code). Mr Clary and Mr Tomlinson consent to the inclusion in this report of the information in the form and context in which it appears.

FORWARD LOOKING AND EXPLORATION TARGET STATEMENTS

Some statements in this announcement regarding estimates or future events are forward-looking statements. They involve risk and uncertainties that could cause actual results to differ from estimated results. Forward looking statements include, but are not limited to, statements concerning the Company's exploration program, outlook, target sizes and mineralised material estimates. They include statements preceded by words such as "expected", "planned", "target", "scheduled", "intends", "potential", "prospective", and "seek", "proposed" and similar expressions.
